

SCHEDULE A

Healthy Leg Day

AT YOUR LOCATION

Your legs do a great job of supporting you through your entire day. Keep them healthy by wearing compression socks!

✓ OUR CERTIFIED FITTERS COME TO YOU

We'll accurately **measure** & assist you in finding the perfect compression socks!

✓ DEDICATED SESSIONS

Flexible options for scheduling include: **quarterly, bi-annual, or annual** visits. We'll spend a couple hours at your location sizing both **staff & residents** to ensure everyone's needs are met.

✓ ALL GRADUATION LEVELS

Our **over-the-counter** socks (**under 20mmHg**, starting at \$29) are great for leg fatigue, slight swelling & minor varicosities. **Higher compression** levels (**over 20mmHg**, starting at \$99, most insurance companies cover) are best for moderate or severe edema & help prevent venous ulcerations.
